DETAILED ACTION

Response to Amendment

The amendment filed on June 5, 2007 is sufficient to place the application in condition for allowance.

Allowable Subject Matter

Claims 1-5 and 9-13 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not disclose or fairly suggest a planer comprising a spring that biases the flap in the first position in combination with the rest of the claimed limitations as set forth in claim 1.

Neither the prior art of record nor any combination thereof discloses the claimed invention as set forth in claim 1. Accordingly claims 1-5 and 9-13 are deemed allowable over the prior art of record.
